CASE TITLE: Menendez vs Petunia Holdings LLC [E-FILE]

CASE TYPE: (U)Other Employment

HEARING TYPE: Motion

TENTATIVE RULING

Plaintiffs' motion for preliminary approval of class and PAGA settlement is **GRANTED**.

Counsel to update the proposed notice to reflect that the final approval hearing will be in Department C-63.

A hearing on the motion for final approval is scheduled for January 10, 2025 at 1:30 p.m. Briefing is due 16 court days before the hearing.

The Court expects the motion for final approval and request for attorney fees will be filed as one motion that complies with the 15-page limit as set forth in the Rules of Court. If the moving party wishes to file the motion for final approval and motion for approval of attorney fees as two separate motions, the party must inform the Court of this (at the hearing on preliminary approval) so that both motions can be calendared.

The Court intends to sign the proposed order.

Plaintiffs to serve notice to all parties.
