<p>Carmaneisha Lewis Plaintiff/Petitioner(s) VS. OMELAGAH, INC., a California corporation Defendant/Respondent (s)</p>	<p>No. 23CV044580 Date: 12/10/2024 Time: 1:30 PM Dept: 21 Judge: Noël Wise ORDER re: Hearing on Motion - Other Preliminary Approval of Class Action and PAGA Settlement; filed by Carmaneisha Lewis (Plaintiff) filed by Carmaneisha Lewis (Plaintiff) on</p>
--	--

The Motion re: Preliminary Approval of Class Action and PAGA Settlement filed by Carmaneisha Lewis on 10/31/2024 is Granted.

The motion of plaintiffs for preliminary approval of class action settlement is GRANTED.

The complaint alleges various Labor Code claims. The complaint asserts class claims. The complaint does not assert claims on behalf of the LWDA under PAGA.

The case preliminarily settled for a total of \$343,000. The settlement agreement states there will be attorneys' fees of up to \$ 114,333.33 (33%), costs of up to \$25,000, service award of \$10,000, settlement administration costs of up to \$ 6,990. After these expenses, the amount available to be distributed to the Class would be \$186,676.67. Assuming that there are an estimated 354 Class Members, the average payment per Class Member would be \$527.

The motion makes an adequate analysis as required by Kullar v. Foot Locker Retail, Inc. (2008) 168 Cal.App.4th 116.

The proposed class notice form and procedure are adequate.

The proposed class is appropriate for class certification.

SUPERIOR COURT OF CALIFORNIA, COUNTY OF ALAMEDA

Rene C. Davidson Courthouse

The scope of the named plaintiff release is appropriate. The agreement for the named plaintiff may include a Civil Code 1542 waiver.

The scope of the class release is appropriate. The scope of the class release is limited to the claims arising out of the claims in the complaint where the named plaintiffs are typical and can adequately represent the class. (*Amaro v. Anaheim Arena Management, LLC* (2021) 69 Cal.App.5th 521, 537-538.) The release of claims by the class is limited by the "factual predicate rule." (*Hesse v. Sprint Corp.* (9th Cir. 2010) 598 F.3d 581, 590.) (See also *Hendricks v. Starkist Co* (N.D. Cal. 2016) 2016 WL 692739 at * 2-4 [Denying motion for final approval of class settlement because scope of release overbroad].)

The Court notes and approves of the plan to distribute the settlement funds with no claims process.

The unclaimed funds will be distributed to the Children's Advocacy Institute. (Agt para III.M.6.) This is consistent with CCP 384. Counsel has provided a declaration in support of the motion that provides the information required by CCP 382.4.

The Court will not approve the amount of attorneys' fees and costs until the final approval hearing. The Court cannot award attorneys' fees without reviewing information about counsel's hourly rate and the time spent on the case. This is the law even if the parties have agreed that Defendants will not oppose the motion for fees. (*Robbins v. Alibrandi* (2005) 127 Cal. App. 4th 438, 450-451.)

"Because absent class members are not directly involved in the proceedings, oversight to ensure settlements are fair and untainted by conflict is the responsibility of both the class representative and the court." (*Mark v. Spencer* (2008) 166 Cal.App.4th 219, 227.)

"[T]horough judicial review of fee applications is required in all class action settlements and the fairness of the fees must be assessed independently of determining the fairness of the substantive settlement terms." (*Consumer Privacy Cases* (2009) 175 Cal.App.4th 545, 555-556.)

The court sets out its standard analysis below. Counsel may address that analysis in the fee application.

The Ninth Circuit's benchmark is 25%. (*Laffitte v. Robert Half Internat. Inc.* (2016) 1 Cal.5th 480, 495.)

This court's benchmark for fees is 30% of the total fund. (*Laffitte v. Robert Half Internat. Inc.* (2016) 1 Cal.5th 480, 495; *Schulz v. Jeppesen Sanderson, Inc.* (2018) 27 Cal.App.5th 1167, 1175; *Consumer Privacy Cases* (2009) 175 Cal.App.4th 545, 557 fn 13; *Chavez v. Netflix, Inc.* (2008) 162 Cal.App.4th 43, 66 fn 11.) The court recently reviewed and reaffirmed its use of a benchmark of 30%. (*Hurtubise v. Sutter East Bay Hosp.* (2021) 2021 WL 11134912.)

When cross-checking with the lodestar/multiplier, the court will evaluate the lodestar based on reasonable fees that would have been charged at hourly rates and then apply a multiplier. The

SUPERIOR COURT OF CALIFORNIA, COUNTY OF ALAMEDA

Rene C. Davidson Courthouse

multiplier includes contingent fee risk and other factors.

When considering risk, the court considers there is less risk in a case with fee shifting statutes because counsel's potential fees are not limited by and coupled to the monetary recovery. "The law does not mandate ... that attorney fees bear a percentage relationship to the ultimate recovery of damages in a civil rights case." (Harman v. City and County of San Francisco (2007) 158 Cal.App.4th 407, 419.) (See also Heritage Pacific Financial, LLC v. Monroy (2013) 215 Cal.App.4th 972, 1006-1007.)

The Court will not decide the amount of any service award until the final approval hearing. Plaintiff must provide evidence regarding the nature of his participation in the action, including a description of his specific actions and the amount of time he committed to the prosecution of the case. (Clark v. American Residential Services LLC (2009) 175 Cal.App.4th 785, 804-807.) The court's standard service award is \$7,500.

The Court ORDERS that funds not be distributed to the cy pres beneficiary until after Court approval of a final accounting.

The Court ORDERS that 10% of any fee award to be kept in the administrator's trust fund until the completion of the distribution process and Court approval of a final accounting.

The Court will set a compliance hearing after the completion of the distribution process and the expiration of the time to cash checks for counsel for plaintiff and the Administrator to comply with CCP 384(b) and to submit a summary accounting how the funds have been distributed to the class members and the status of any unresolved issues. If the distribution is completed, the Court will at that time order distribution of the cy pres funds and release any hold-back of attorney fees.

The court ORDERS that at the time of the final accounting that counsel for plaintiff transmit a copy of this order and the final judgment and the final accounting to the Judicial Council. (CCP 384.5; Govt Code 68520.)

The court will sign the proposed order, which is modified by this order. Plaintiff must reserve a hearing for the motion for final approval.

The Court orders counsel to obtain a copy of this order from the eCourt portal.
