III. <u>SETTLEMENT TERMS AND CONDITIONS</u>

A. Maximum Settlement Amount. In order to settle the Action and Released Claims, Defendant agrees to pay the Maximum Settlement Amount of \$2,800,000.00. Whatever amount of Class Counsel Fees and 5 Caterpillar: Confidential Green

Expenses that the Court approves shall be paid from the Maximum Settlement Amount. Should the Court approve and award less than the amount provided for herein, the difference shall be included in the Net Settlement Amount.

Class Representative Service Award.

1. Plaintiff shall request, and Defendant shall not oppose, an incentive payment not to exceed \$7,500 for the Class Representative. The Class Representative's Service Award is intended as reasonable compensation for the time and effort expended by him as Class Representative and in connection with the initiation and maintenance of this Action. The Class Representative's Service Award shall be paid from the Maximum Settlement Amount, and shall be paid in addition to whatever payment Plaintiff is otherwise entitled to as a Participating Class Member. The Class Representative's Service Award shall be reported to the taxing authorities by means of an IRS Form 1099. The amount of the Class Representative's Service Award is left to and within the Court's sole discretion. Should the Court approve and award less than the amount provided for herein, or not at all, the difference shall be included in the Net Settlement Amount. The Settling Parties agree that the approval, and amount, of any Class Representative's Incentive Award in this Action shall be in the Court's sole discretion and not subject to any appeal by Plaintiff who are the sole recipients of any approved Class Representative's Service Award. This Settlement is not contingent on Plaintiff's receipt of any Service Award out of the Maximum Settlement Amount.

24 2. Plaintiff acknowledges and agrees that Defendant and its attorneys have made
25 no representations or warranties regarding the tax consequences of payment of the Class
26 Representative's Service Award, and Plaintiff has not relied on any such representations or warranties.
27 Plaintiff further agrees to pay and bear sole responsibility for all taxes, liens, levies, encumbrances,
28 interest, and penalties that may be due or payable to any taxing authority as a result of payment of any

Class Representative Service Award. Furthermore, Plaintiff agrees to defend and indemnify Defendant and the other Released Parties in connection with any taxes, fines, interest or penalties incurred as a result of any failure by Plaintiff to pay taxes due, if any, on the Class Representative's Service Award paid pursuant to this Agreement.

5 E. Settlement Administration Costs. Settling Parties selected Apex Class Action 6 Administration to act as the Settlement Administrator and it is estimated that the fees, expenses, and 7 costs for administration of the terms of this Settlement shall not exceed \$16,990.00. All of the 8 Settlement Administration Costs shall be paid from the Maximum Settlement Amount upon 9 completion of all duties required to be performed by the Claims Administrator under the terms of this 10 Settlement, or as otherwise required by the Court, subject to the "not to exceed" quote from the agreed 11 upon Settlement Administrator. Should the Court approve and award less than the amount provided 12 for herein, or not at all, the difference shall be included in the Net Settlement Amount.

Settlement Shares to Class Members.

14 1. Under the Settlement, each Participating Class Member shall be entitled to 15 payment of a pro rata portion of the Net Settlement Amount (i.e., his or her Settlement Share) based 16 on their Class Workweeks. The workweek value will be established by dividing the Class Employee 17 Fund by all Class Workweeks, which are the workweeks actually worked by the Class Employees 18 during the Class Period. The workweeks worked by Class Employees during the Class Period will be 19 determined by Defendant's time and payroll records. Defendant will perform that calculation and 20 provide it to the administrator. Weeks when an employee performed no work in a workweek, for 21 example, due to vacation, sick time or being on a leave of absence are excluded from the workweek 22 count as they are not workweeks actually worked. The Individual Settlement Share for each Class 23 Employee will be determined by multiplying the workweek value by each Class Employee's 24 individual workweeks. If a Class Member was on a leave of absence, those workweeks will not be included in the calculation. There shall be no reversion to Defendant. There shall be no claims process. 25 26 Class Members will be provided with an estimate of their portion of the NSA as part of the class notice 27 process. Class Members will be provided with notice of the settlement, its terms, and their right to opt

out, object, appear at the fairness hearing, or challenge their number of pay periods worked as set out in the notice.

2. Each Settlement Share of the Class Employee Fund shall be apportioned as follows: 20% as wages (the "Wage Component") and 80% for interest, penalties, and other non-wage damages (the "Non-Wage Component"). Each Settlement Share shall be subject to reduction for all employee's share of taxes and withholdings on the Wage Component and shall be reported on IRS W-2 forms, and the net payment will be referred to as "Individual Settlement Payment(s)." No reductions will be made to Settlement Shares for any taxes or withholding in connection with the Non-Wage Component, and the Non-Wage Component shall be reported on IRS 1099 forms. All Class Members covered by this Settlement agree that they are not relying on any representations regarding the tax allocation or treatment of any amounts paid to them under the terms of this Settlement and agree to hold Defendant and the other Released Parties harmless for any and all tax consequences relating to the allocation of the payments made under this Settlement.

14 3. Each PAGA Employees' pro rata share of the PAGA Employee Fund ("PAGA 15 Settlement Share") will be determined by converting the PAGA Employee Fund into a pay period 16 value. The pay period value will be established by dividing the PAGA Employee Fund by all pay 17 periods actually worked by the PAGA Employees during the PAGA Period as determined by 18 Defendant's payroll records. Defendant will perform that calculation and provide it to the 19 administrator. Weeks when an employee performed no work in a pay period, for example, due to 20 vacation, sick time or being on a leave of absence are excluded from the pay period count as they are 21 not pay periods actually worked. The Individual Settlement Share for each PAGA Employee will be 22 determined by multiplying the pay period value by each PAGA Employee's individual PAGA pay 23 periods. All payments are for penalties and will be reported on IRS 1099 forms.

12 H. Payments To Class Do Not Trigger Additional or Derivative Payments. It is 13 expressly understood and agreed that the receipt of payments under the Settlement shall not entitle 14 Plaintiff or any Participating Class Member to additional or derivative compensation or benefits under 15 any of Defendant's compensation or benefit plans or agreement in place during the period covered by 16 the Settlement, nor shall it entitle Plaintiff or any Class Member to any increased retirement, 401k 17 benefits or matching benefits, or deferred compensation benefits. It is the intent of this Settlement that 18 the payments provided for in this Agreement are the sole payments to be made by Defendant to 19 Plaintiff and Participating Class Members, and that Plaintiff and Participating Class Members are not 20 entitled to any additional or derivative compensation or benefits as a result of having received said payments (notwithstanding any contrary language or agreement in any benefit or compensation plan 22 document that might have been in effect during the period covered by this Settlement).

Opt-Outs and Objections To Settlement.

Class Members are not required to sign a claim form to participate in the Settlement. Class Members may opt out of the Class Settlement or submit objections to the Class Settlement pursuant to the following procedures:

7 1. The Class Notice shall provide that Class Members who do not want to 8 participate in the Settlement may exclude themselves by submitting a written request seeking to opt-9 out of the Settlement ("Opt-Out Notice") to the Settlement Administrator not later than sixty (60) 10 calendar days after the date that the Settlement Administrator first mails the Class Notice ("Response 11 Deadline"). An Opt-Out Notice must: (a) contain the full name, address, and last four digits of the 12 Social Security number of the person requesting to opt-out; (b) be signed by the person requesting to 13 opt-out; (c) reference the Action by its name; and (d) contain a statement clearly indicating that the 14 person submitting the request seeks to be excluded from the Settlement. If the Opt-Out Notice does 15 not contain the information listed in (a)-(d) or is not returned to the Settlement Administrator 16 postmarked by the Response Deadline, it shall not be deemed timely and valid. The date of the 17 postmark on the return mailing envelope shall be the exclusive means used to determine whether the 18 Opt-Out Notice has been timely submitted. Any Class Member who submits a timely and valid Opt-19 Out Notice shall not be entitled to any recovery under the Settlement and shall not be bound by the 20 terms of the Class Settlement, and shall not have any right to object, appeal, or comment thereon. The 21 submission of an Opt-Out Notice shall not impact a PAGA Employee's entitlement to their Individual 22 PAGA Settlement Share. Class Members who fail to submit a timely and valid Opt-Out Notice shall 23 be Class Members bound by all terms of the Settlement and the contemplated Judgment if the 24 Settlement is granted final approval by the Court. No later than ten (10) business days after the 25 Response Deadline, the Settlement Administrator shall provide Class Counsel and Defendant's 26 Counsel with a complete list of all Class Members who have submitted timely and valid Opt-Out 27 Notices, including their full names.

28

 2.
 The Class Notice shall provide that Participating Class Members (i.e., Class

Members who do not timely opt out of the Settlement) who wish to object to the Settlement must submit to the Settlement Administrator a written statement explaining their objection to the Settlement no later than the Response Deadline. Alternatively, or in addition to a written objection, Class Members may appear at the Final Approval Hearing to make an oral objection. If a Class Member opts out of the Settlement, they cannot object to the Settlement.

3. A Class Member who does not make an oral objection at the Final Approval Hearing or does not submit a written objection in the manner and by the Response Deadline specified above shall be deemed to have waived all objections and shall be foreclosed from making any objections to the Settlement, whether by appeal or otherwise.

4. If a Class Member who has timely filed an objection to the Settlement files a Notice of Appeal of the contemplated Judgment within the time period prescribed by law, Defendant shall not be required to fund any portion of the Maximum Settlement Amount, and the Settlement Administrator shall not distribute or pay any monies until the appeal(s) are finally resolved in favor of the Settlement or dismissed with prejudice.

5. The Parties agree that there is no statutory right for any PAGA Employee to object, opt out or otherwise exclude himself or herself from the PAGA part of the Settlement. If a Class Member opts out, and is also a PAGA Employee, s/he is still covered by the PAGA portion of the Settlement. Except as otherwise stated, Plaintiff shall vigorously defend against any attempt by any PAGA Employee or by any entity or agency to intervene in this matter or object to/opt-out of this settlement. Further, there is no right or opportunity for any PAGA Employee to appeal the approval of the Settlement by the Court. The Parties shall jointly defend against any appeal filed with respect to the Final Order as it pertains to the PAGA part of the Settlement.

M. Resolution of Class Member Disputes Over Class Workweeks and/or PAGA Pay Periods.

If a Class Member disputes the number of Class Workweeks or PAGA Pay
 Periods credited to him or her, which will be stated in the Class Notice, the Class Member must submit
 a written dispute to the Settlement Administrator, postmarked no later than the Response Deadline.
 The dispute must: (a) contain the full name, address, and last four digits of the Social Security number

1 of the Class Member; (b) be signed by the Class Member; (c) reference the Action by its name and 2 case number; (d) contain a statement clearly indicating that the Class Member disputes the number of 3 Pay Periods that are credited to him or her and the number of pay periods that the Class Member claims 4 should be credited to him or her; and (e) attach supporting documentation, if any, that they may have. 5 If such a dispute arises with respect to a Class Member, the Settlement Administrator shall inform 6 Class Counsel and Defendant's Counsel. Defendant shall manually review its payroll and personnel 7 records to verify the correct number of Class Workweeks and/or PAGA Pay Periods for the disputing 8 Class Member. Defendant's records shall have a rebuttable presumption of correctness, and 9 Defendant's Counsel and Class Counsel shall jointly determine how the dispute should be resolved. 10 If they are unable to jointly resolve the dispute, the Settlement Administrator shall present the dispute 11 for resolution by the Court, by way of declaration to be filed in advance of the Final Approval Hearing. 12 The decision on the dispute shall be non-appealable.

N. No Solicitation of Objections or Opt-Outs. Neither the Settling Parties nor their respective counsel or management shall solicit or otherwise encourage any Class Member, directly or indirectly, to seek to opt-out from the Settlement, object to the Settlement, and/or appeal from the Judgment.

O. Additional Briefing and Final Approval.

1. As soon as practicable following the Response Deadline, Plaintiff shall move the Court for final approval of the Settlement. Defendant agrees it shall not oppose so long as the motion is in all respects consistent with the terms of this Settlement. Not later than five (5) court days before the Final Approval Hearing, the Settling Parties may file, jointly or separately, a reply in support of the motion or such other papers as may be necessary or helpful to the Court regarding the subject matter of the motion.

Upon final approval of the Settlement by the Court at or after the Final Approval
 Hearing, the Settling Parties shall present a Judgment for the Court's approval and entry, which shall
 provide that the Court shall have continuing jurisdiction over the Action and the Settlement solely for
 purposes of: (i) enforcing this Settlement, (ii) addressing any claims administration matters that may

arise; and (iii) addressing such post-Judgment matters as may be appropriate under court rules or applicable law.

P. Options to Terminate Settlement/Revision to Maximum Settlement Amount or Class Period and PAGA Period.

1. Any reduction in the Class Counsel Fees and Expenses, and/or any reduction to the requested Class Representative's Service Award, does <u>not</u> constitute grounds to terminate or void the Settlement.

2. Defendant has the right to cancel the Settlement if more than ten percent (10%) of the Class Members submit timely and valid Opt-Out Notices from the Settlement. This option to cancel the Settlement must be exercised by Defendant by providing written notice to Class Counsel within ten (10) business days of Defendant's Counsel receiving notification from the Settlement Administrator that more than ten percent (10%) of the Class Members have submitted timely and valid Opt-Out Notices from the Settlement. If Defendant exercises the option to terminate the Settlement, then Defendant shall be responsible for paying all Settlement Administration Costs.

3. Defendant represents that there are a total of 135,147 total actual Class Workweeks worked by the Class Members during the Class Period. In the event that the total Class Workweeks actually worked during the Class Period exceeds this number by more than 1%, which is 136,599, Plaintiff shall have the right to request that settlement negotiations be reopened by giving written notice to the other Settling Party (through its counsel) prior to the mailing of the Class Notices. If the parties cannot reach an agreement, after enlisting the assistance of the mediator and negotiating in good faith, then Plaintiff has the right to terminate the settlement agreement.

4. Either Settling Party may terminate this Settlement by giving written notice to
the other Settling Party (through its counsel) no later than twenty (20) calendar days after receiving
notice that one of the following has occurred: (i) the Court declines to enter the Preliminary Approval
Order or the Final Approval Order in substantially the form submitted by the Parties; (ii) the Settlement
does not become final because of any appellate court action; or (iii) the Court's final approval of the
Settlement is reversed or materially modified on appellate review.

1 5. In the event of termination of this Settlement as provided above, this Settlement 2 shall become and be considered null and void, and it shall have the following effects: (i) the Settling 3 Parties shall have no further obligations under the Settlement; (ii) Defendant shall have no obligation 4 to make any payments to any person, party, Class Member or attorney that otherwise would have been 5 owed under this Settlement, except that in case of termination under Section III (P)(2), Defendant shall 6 pay the Settlement Administrator's reasonable fees and expenses incurred as of the date that the 7 Settlement is terminated; (iii) in case of termination under Section III (P)(4), the Parties shall split the 8 Settlement Administrator's reasonable fees and expenses incurred as of the date that the Settlement is 9 terminated; (iv) the Settlement and all negotiations, statements and proceedings relating thereto shall 10 be without prejudice to the rights of any of the Settling Parties, all of whom shall be restored to their 11 respective positions in the Action prior to the Settlement; and (v) neither this Settlement nor any 12 ancillary documents, actions, statements or filings in furtherance of settlement (including all matters 13 associated with the mediation) shall be admissible or offered into evidence in the Action or any other 14 case or proceeding for any purpose whatsoever.

6. Notice of the termination of the Settlement by a Settling Party must be provided to counsel for the other Settling Party in writing.

Q. Dispute Resolution. Any disputes not resolved by the Settlement Administrator or the Settling Parties shall be resolved by the Court. Before any such resort to the Court, counsel for the Settling Parties shall confer in good faith in an attempt to resolve the dispute.

R. Waiver of Right To Appeal. Plaintiff and Class Counsel waive all appeals from the Court's Final Approval of this Settlement.

S. Publicity. Neither Plaintiff nor Plaintiff's counsel will publicize this settlement by Defendant's name or location, through a press release, posting on counsels' website, in social media or by any other public means, other than necessary court filings and proceedings associated with the settlement. Nothing in this provision is intended to prohibit (i) Plaintiff from discussing this settlement with his spouse or partner, attorneys or tax advisor; or (ii) Plaintiff's counsel from communicating with putative class members in this case or with the court in which this action is pending or with the LWDA.

T. Fair, Adequate, And Reasonable Settlement. This Settlement was reached after extensive negotiations. The Settling Parties believe and agree that this Settlement is a fair, adequate, and reasonable resolution of the Action and have arrived at this Settlement in arms-length negotiations, considering all relevant factors, present and potential, and shall so represent it to the Court.

U. No Admission Of Liability. Defendant and the Released Parties deny any and all alleged wrongdoing or the violation of any rights of the Plaintiff and/or Class Members. By entering into this Settlement, Defendant does not admit, and in fact specifically disclaims, the violation of any law or regulation. This Settlement is entered into solely for the purpose of compromising highly disputed claims. Nothing in this Settlement is intended or shall be construed as an admission of any liability or wrongdoing by Defendant, or as an admission by the Class Members that any of their claims were non-meritorious or that any defense asserted by Defendant was meritorious. This Settlement and the fact that the Settling Parties are willing to settle the Action and have entered into this Settlement shall have no bearing on, and shall not be admissible in connection with, any litigation, other than as is necessary to enforce the terms of this Settlement.

12	Why should you read this notice?	
13 14	This Notice relates to a proposed settlement of class action litigation. If you are a Settlement Class Member, it contains important information about your right to receive a payment from the Settlement fund.	
15 16	The Court has granted preliminary approval of a proposed class action settlement (the "Settlement") in <i>Ronald Figueroa v. Solar Turbines Incorporated.</i> , San Diego County Superior Court, Case No. 37-2023-00016512-CI-OE-CTL (the "Lawsuit"). Because your rights may be affected by the Settlement, it is important that you read this Notice carefully.	
17 18	You may be entitled to money from this Settlement. Defendant Solar Turbines Incorporated's (hereinafter "Defendant" or "Solar Turbines") records show that you were employed in California between February 3, 2022, and June 2, 2024 (the "Class Period"). The Court ordered that this Notice be sent to you because you may be entitled to money under the Settlement and because the Settlement affects your legal rights.	
19 20 21	The purpose of this Notice is to provide you with a brief description of the Lawsuit, to inform you of the terms of the Settlement, to describe your rights in connection with the Settlement, and to explain what steps you may take to participate in, object to, or exclude yourself from the Settlement. If you do not exclude yourself from the Settlement and the Court finally approves the Settlement, you will be bound by the terms of the Settlement and any final judgment. Notice of the final judgment will be posted online at < <admin url="" website="">>.</admin>	
22 23	Solar Turbines denies the claims in the Lawsuit and contends that it complied with all applicable laws. The parties agreed to settle this matter to avoid the uncertainly, inconvenience, disruption to business, and the expense of protracted litigation.	
24	What is this case about?	
25 26	Plaintiff Ronald Figueroa ("Plaintiff") filed this Lawsuit against Solar Turbines, seeking to assert claims on behalf of all Settlement Class Members. Plaintiff is known as "Class Representative," and his attorneys, who also represent the interests of all Settlement Class Members, are known as "Class Counsel."	
27 28	In the Lawsuit, Plaintiff alleges that Solar Turbines: (1) failed to pay all minimum wages; (2) failed to pay all overtime wages; (3) failed to provide all meal periods or pay a premium in lieu thereof; (4) failed to issue accurate, itemized wage statements; (5) failed to timely pay all final wages due upon separation of employment; (6) engaged in unfair competition; and (7) is liable for civil penalties under the Private Attorneys General Act ("PAGA").

	JOINT STIPULATION TO SE	TTLE CLASS AND PAGA CLAIMS	

1	Solar Turbines has agreed to pay \$2,800,000.00 (the "Maximum Settlement Amount") to fully resolve all claims in the Lawsuit, including payments to Settlement Class Members, employee side payroll taxes, attorneys' fees and expenses,
2	settlement administration costs, class representative's enhancement payment, and payment to the California Labor and Workforce Development Agency for its share of the PAGA civil penalties.
3	The following deductions from the Maximum Settlement Amount will be requested by the Parties:
4	Attorneys' Fees and Expenses. Class Counsel have been prosecuting the Action on behalf of Class Members on a
5	contingency fee basis (that is, without being paid any money to date) and have been paying all litigation costs and expenses. The Court will determine the actual amount awarded to Class Counsel as attorneys' fees, which will be paid
6	from the Gross Settlement Amount. Class Members are not personally responsible for any of Class Counsel's attorneys' fees or expenses. Class Counsel will ask for up to one-third of the Gross Settlement Amount, which is
7	currently estimated at \$933,333.33, as reasonable compensation for the work Class Counsel performed and will continue to perform in this Action through Settlement finalization. Class Counsel also will ask for reimbursement of
8	up to \$60,000.00 in verified costs incurred in connection with the Action.
9	<u>Settlement Administration Costs</u> . The Court has approved Apex Class Action Administration to act as the "Settlement Administrator," who is sending this Notice to you and who will perform many other duties relating to the Settlement.
10	The Court has approved setting aside up to \$16,990.00 from the Maximum Settlement Amount to pay the settlement administration costs.
11	Class Representative Enhancement Payment. Class Counsel will ask the Court to award the Class Representative an
12	enhancement payment in the amount of \$7,500.00 to compensate him for his service and extra work provided on behalf of the Settlement Class Members.
13	PAGA Payment to the State of California. The Parties have agreed to allocate \$100,000.00 of the Maximum Settlement
14	Amount towards the settlement of the PAGA claim in the Lawsuit. A total of \$75,000.00 will be paid to the State of
15	California Labor and Workforce Development Agency for its 75% share of civil penalties. The remaining 25% (\$25,000.00) will be payable to the Settlement Class as the "PAGA Amount" as described below. The time period covered by the PAGA claim is April 20, 2022 through June 2, 2024 ("PAGA Period").
16	
17	<u>Calculation of Settlement Class Members' Individual Settlement Payments</u> . After deducting the Court-approved amounts above, the balance of the Maximum Settlement Amount will form the Net Settlement Amount, which will be distributed to all Settlement Class Members who do not submit a valid and timely Request for Exclusion (described below). The Net
18	Settlement Amount is estimated to be approximately \$1,707,176.67. The Net Settlement Amount will be divided as follows:
19	(i) Approximately \$1,692,176,67 of the Net Settlement Amount shall be allocated among Settlement Class
20	 (i) Approximately \$1,682,176.67 of the Net Settlement Amount shall be allocated among Settlement Class members (except those who submit a timely and valid Request for Exclusion) as follows: Each Participating Class Member shall be entitled to payment of a pro rata portion of the Net Settlement Amount (i.e., his or
21	her Settlement Share) based on their Class Workweeks. The workweek value will be established by diving the Class Employee Fund by all Class Workweeks, which are the workweeks actually worked by the Class
22	Employees during the Class Period. The workweeks worked by Class Employees during the Class Period will be determined by Defendant's time and payroll records. Defendant will perform that calculation and
23	provide it to the administrator. Weeks when an employee performed no work in a workweek, for example, due to vacation, sick time or being on a leave of absence are excluded from the workweek count as they are
24	not workweeks actually worked. The Individual Settlement Share for each Class Employee will be determined by multiplying the workweek values by each Class Employee's individual workweeks. If a Class
25	member was on a leave of absence, those workweeks will not be included in the calculation. There shall be no reversion to Defendant.
26	(ii) The remaining \$25,000 of the Net Settlement Amount, has been designated as the "PAGA Amount" and
27	will be allocated to all Settlement Class members (regardless of whether they submit a timely and valid Request for Exclusion) who worked for Defendant at any time between April 20, 2022, through June 2, 2024
28	(the "PAGA Period"), in proportion to the number of pay periods that each Settlement Class member worked for Defendant in California as a non-exempt employee during that time period.

Any payment made from the Net Settlement Amount shall be allocated as 20% wages and 80% penalties and interest. The Maximum Settlement Amount does not include employer payroll taxes, which will be paid by Solar Turbines separate and apart from, and in addition to, the Maximum Settlement Amount. The Settlement Administrator will be responsible for issuing to Settlement Class Members an IRS Form W2 for the amounts allocated as "wages" and IRS Form 1099 for the amounts allocated as penalties and interest. The time period covered by this release is February 3, 2022, through June 2, 2024. 16

Plaintiff and the State of California release the Released Parties from any claim for civil penalties under California Labor 17 Code Private Attorneys General Act of 2004 arising out of or based on the facts and legal theories alleged in Plaintiff's letter to the Labor & Workforce Development Agency ("LWDA") dated April 20, 2023, and only to the extent they are 18 alleged in the First Amended Complaint ("PAGA Released Claims") during the PAGA Period. The PAGA release covers: (a) all PAGA penalty claims alleged in Plaintiff's PAGA letter as well as his First Amended Complaint, which seeks 19 penalties under PAGA for alleged violations of Labor Code sections 201-203, 204, 226, 226.7, 246, 510, 512, 558, 1174, 1182.12, 1194, 1194.2, 1197, 1198, 2699 et. seq., claims for violation of the provisions of the applicable Wage Orders 20 regarding minimum wage, overtime, meal periods, as well as allegations regarding the late payment of wages during employment and of final wages, inaccurate wage statements, failure to provide sick pay and/or pay it at the correct rate; 21 (b) claims for the attorney's fees and costs incurred in the prosecution of this Action on behalf of the PAGA Employees; (c) any other claims for PAGA penalties that could have been plead based on the facts alleged in the Action; and (d) all 22 claims that Plaintiff, and/or the PAGA Employees may have against the Released Parties relating to: (i) the payment, taxation, and allocation of attorney's fees and costs to Plaintiff's Counsel pursuant to this Settlement Agreement; and (ii) the payment, taxation, and allocation of PAGA Payments pursuant to this Settlement Agreement. 23

- 24 The Settlement along with all associated releases will become effective on the date that the Court has approved the Settlement and entered Judgment thereon and the Judgment has become Final.

How can I claim money from the Settlement?

Do Nothing. If you do nothing, you will be entitled to your share of the Settlement based on the proportionate number of workweeks you worked for Defendant during the Class Period, as well as whether you separated employment with Defendant during the PAGA Period. You also will be bound by the Settlement, including the release of claims stated above.

	JOINT STIPULATION TO SETTLE CLASS AND PAGA CLAIMS		

IT IS HEREBY ORDERED:

1. The Court preliminarily approves the Class Action and PAGA Settlement Agreement ("Agreement") attached as Exhibit ______ to the Declaration of _______ in Support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement. This is based on the Court's determination that the Settlement set forth in the Agreement is within the range of possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil Procedure and California Rules of Court, rule 3.769.

2. This Order incorporates by reference the definitions in the Agreement, and all terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

3. The Gross Settlement Amount is Two Million Eight Hundred Thousand Dollars (\$2,800,000). It appears to the Court on a preliminary basis that the settlement amount and terms are fair, adequate and reasonable as to all potential Class Members when balanced against the probable outcome of further litigation and the significant risks relating to certification, liability and damages issues. It further appears that investigation and research have been conducted such that counsel for the Parties are able to reasonably evaluate their respective positions. It further appears to the Court that settlement at this time will avoid substantial additional costs by all Parties, as well as avoid the delay and risks that would be presented by the further prosecution of the Action. It further appears that the Settlement has been reached as the result of serious and non-collusive, arms-length negotiations. The Court therefore preliminarily finds that the Settlement is fair, adequate, and reasonable when balanced against the probable outcome of further litigation and the significant risks relating to certification, liability, and damages issues.

4. The Agreement specifies for an attorneys' fees award not to exceed one-third of the Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$60,000, and proposed Class Representative Service Payment to Plaintiff in an amount not to exceed \$7,500 each. The Court will not approve the amount of attorneys' fees and costs, nor the amount of any service award, until the Final Approval Hearing.

5. The Court recognizes that Plaintiff and Defendant stipulate and agree to certification
 of a class for settlement purposes only. This stipulation will not be deemed admissible in this or any
 Caterpillar: Confidential Green

other proceeding should this Settlement not become final. For settlement purposes only, the Court conditionally certifies the following Class: "all current and former non-exempt employees of Defendant in California who worked during the Class Period." The Class Period is February 3, 2022 through June 2, 2024 (the "Class Period").

6. The Court concludes that, for settlement purposes only, the Class meets the requirements for certification under section 382 of the California Code of Civil Procedure in that: (a) the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable; (b) common questions of law and fact predominate, and there is a well-defined community of interest amongst the members of the Class with respect to the subject matter of the litigation; (c) the claims of the Plaintiff are typical of the claims of the members of the Class; (d) the Plaintiff can fairly and adequately protect the interests of the members of the Class; (e) a class action is superior to other available methods for the efficient resolution of this controversy; and (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiff are adequate representatives of the Class.

7. The Court provisionally appoints Plaintiff as the representatives of the Class. The Court provisionally appoints Fletcher Schmidt and Andrew Rowbotham of Haines Law Group, APC as Class Counsel for the Class.

8. The Court hereby approves, as to form and content, the Court Approved Notice of Proposed Settlement of Class Action and Hearing Date for Final Court Approval ("Class Notice") attached to the Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately inform the Class of all material elements of the proposed Settlement, of the Class Members' right to be excluded from the Class by submitting a written opt-out request, and of each Class Member's right and opportunity to object to the Settlement. The Court further finds that the distribution of the Class Notice substantially in the manner and form set forth in the Agreement and this Order meets the requirements of due process, is the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of the Class Notice by first class mail, pursuant to the terms set forth in the Agreement.

9. The Court hereby appoints Apex as Administrator. No later than ten (10) business days after preliminary approval of the Settlement by the Court, Defendant shall provide to the Administrator an electronic spreadsheet with the Class Data. The Administrator will perform address updates and verifications as necessary prior to the mailing of the Class Notice. Using best efforts to mail it as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will mail the Class Notice Packets to all Class Members via first-class U.S. Mail. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

10. The Court hereby preliminarily approves the proposed procedure for exclusion from the Settlement. Any Class Member may individually choose to opt out of and be excluded from the Class as provided in the Class Notice by following the instructions for requesting exclusion from the Class that are set forth in the Class Notice. All Requests for Exclusion must be postmarked by no later than the Response Deadline, which is sixty (60) calendar days after the date of the mailing of the Class Notice and be received by the Administrator. If the Class Notice Packet is re-mailed, the Response Deadline will be extended an additional 14 days. Any such person who chooses to opt out of and be excluded from the Class will not be entitled to any recovery under the Settlement and will not be bound by the class portion of the Settlement or have any right to object, appeal or comment thereon. Class Members who have not requested exclusion shall be bound by all determinations of the Court, the Agreement and the Judgment. A Request for Exclusion may only opt out that particular individual, and any attempt to effect an opt out of a group, class, or subclass of individuals is not permitted and will be deemed invalid. Subject to the Court's final approval of the Settlement, the Aggrieved Employees will be paid their allocation of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims in the Agreement regardless of their Request for Exclusion as there is no right for Aggrieved Employees to opt of the settlement of the PAGA claims.

11. Any Class Member who has not opted out ("Participating Class Member") may appear
at the final approval hearing and may object or express the Member's views regarding the Settlement
and may present evidence and file briefs or other papers that may be proper and relevant to the issues
to be heard and determined by the Court as provided in the Notice. Participating Class Members will

Alternatively, Participating Class Members may appear at the Final Approval Hearing to make an oral objection.
