Case Number: 37-2023-00053892-CU-OE-CTL

**~~[Proposed]~~ Order Granting Final Approval of
Class Action Settlement and Final Judgment**

Date: February 20, 2026
Time: 9:00 am
Dept.: C-73
Judge: Hon. Joel R. Wohlfeil

Complaint Filed: December 12, 2023
FAC Filed: May 15, 2025
Trial Date: July 18, 2025

1 On February 20, 2026, the Court held a hearing on Plaintiff’s Motion for Final Approval of
2 Class Action Settlement.

3 In conformity with California Rules of Court, Rule 3.769, with due and adequate notice having
4 been given to Class Members, and the Court having considered the Second Amended Settlement
5 Agreement and Release of Class Action (the “Settlement Agreement”), all of the legal authorities and
6 documents submitted in support thereof, all papers filed and proceedings has herein, all oral and written
7 comments received regarding the proposed settlement, and having reviewed the record in this litigation,
8 and good cause appearing, the Court GRANTS final approval of the Settlement and **ORDERS AND**
9 **MAKES THE FOLLOWING FINDINGS AND DETERMINATIONS AND ENTERS FINAL**
10 **JUDGMENT AS FOLLOWS:**

11 1. All terms used in this Order Granting Final Approval of Class Action Settlement (the
12 "Order") shall have the same meanings given as those terms are used and/or defined in the parties'
13 Settlement Agreement.

14 2. The Court has personal jurisdiction over the Parties to this litigation and subject matter
15 jurisdiction to approve this Settlement and all exhibits thereto.

16 3. For settlement purposes only, the Court finally certifies the Class, as defined in the
17 Agreement and as follows:

18 all individuals who are or were employed by Defendant as non-exempt employees in
19 California from December 12, 2019, to November 3, 2021.
20

21 4. The Court deems this definition sufficient for the purpose of California Rule of Court
22 3.765(a), and solely for the purpose of effectuating the Settlement.

23 5. The Court finds that an ascertainable class of 52 class members exists and a well-defined
24 community of interest exists on the questions of law and fact involved because in the context of the
25 Settlement: (i) all related matters, predominate over any individual questions; (ii) the claims of the
26 Plaintiff are typical of claims of the Class Members; and (iii) in negotiating, entering into and
27 implementing the Settlement, Plaintiff and Class Counsel have fairly and adequately represented and
28 protected the interest of the Class Members.

1 6. The Court is satisfied that APEX Class Action Administration, which functioned as the
2 Settlement Administrator, completed the distribution of Class Notice and Share Form to the Class in a
3 manner that comports with California Rule of Court 3.766. The Class Notice informed 52 Class
4 Members of the Settlement terms, their rights to do nothing and receive their settlement share, their
5 rights to submit a request for exclusion, their rights to comment on or object to the Settlement, and
6 their rights to appear at the Final Approval Hearing and be heard regarding approval of the Settlement.
7 Adequate periods of time to respond and to act were provided by each of these procedures. No Class
8 Members filed written objections to the Settlement as part of this notice process, and no Class Member
9 filed a written statement of intention to appear at the Final Approval Hearing. No Class Members
10 submitted a request for exclusion.

11 7. The Court hereby approves the terms set forth in the Settlement Agreement and finds
12 that the Settlement Agreement is, in all respects, fair, adequate, and reasonable, consistent and
13 compliant with all applicable requirements of the California Code of Civil Procedure, the California
14 and United States Constitutions, including the Due Process clauses, the California Rules of Court, and
15 any other applicable law, and in the best interests of each of the Parties and Class Members.

16 8. The Court directs the Parties to effectuate the Settlement Agreement according to its
17 terms and declares the Settlement Agreement to be binding on all Class Members.

18 9. The Court finds that the Settlement Agreement has been reached as a result of informed
19 and non-collusive arm's-length negotiations. The Court further finds that the Parties have conducted
20 extensive investigation and research, and their attorneys were able to reasonably evaluate their
21 respective positions.

22 10. The Court also finds that the Settlement now will avoid additional and potentially
23 substantial litigation costs, as well as delay and risks of the Parties were to continue to litigate the case.
24 Additionally, after considering the monetary recovery provided as part of the Settlement in light of the
25 challenges posed by continued litigation, and Court concludes that Class Counsel secured significant
26 relief for Class Members.

27 11. The Settlement Agreement is not an admission by Defendant, nor is this Order a finding
28 of the validity of any allegations or of any wrongdoing by Defendant. Neither this Order, the Settlement

1 Agreement, nor any document referred to herein, nor any action taken to carry out the Settlement
2 Agreement, may be construed as, or may be used as, an admission of any fault, wrongdoing, omission,
3 concession, or liability whatsoever by or against Defendant.

4 12. The Court appoints Plaintiff Ryan Batorick as Class Representative and finds him to be
5 adequate.

6 13. The Court appoints Jonathan Melmed, Esq. and Laura M. Supanich, Esq., of Melmed
7 Law Group P.C. as Class Counsel, and finds them to be adequate, experienced, and well-versed in class
8 action litigation.

9 14. The terms of the Agreement, including the Gross Settlement Amount of \$150,000.00 is
10 fair, adequate, and reasonable to the Class and to each Class Member, and the Court grants final
11 approval of the Settlement set forth in the Settlement Agreement, subject to this Order. The Court
12 approves the following allocations, which fall within the ranges stipulated by and through the
13 Settlement Agreement:

- 14 1. The \$5,000.00 designated for payment to APEX Class Action Administration, the
15 Settlement Administrator, is fair and reasonable. The Court grants final approval of, and
16 orders the Parties to make the payment to the Settlement Administrator in accordance
17 with the Agreement.
- 18 2. The \$50,000.00 amount requested by Plaintiff and Class Counsel for the Class Counsel's
19 attorneys' fees is fair and reasonable in light of the benefit obtained for the Class. The
20 Court grants final approval of, awards, and orders the Class Counsel Fees Payment to
21 be made in accordance with the Agreement.
- 22 3. The Court awards \$5,735.10 in litigation costs, an amount which the Court finds to be
23 reflective of the reasonable costs incurred. The Court grants final approval of, and order
24 the Class Counsel Litigation Expenses Payment in this amount to be made in accordance
25 with the Agreement.
- 26 4. The \$7,500.00 requested by Plaintiff for the Incentive Award is fair and reasonable. The
27 Court grants final approval of, and orders the Incentive Award to be paid in accordance
28 with the Agreement.

1 5. The Court approves of the \$20,000.00 allocation assigned for claims under the Private
2 Attorney General Act (PAGA), and orders 75% thereof (i.e., \$15,000.00) to be paid to
3 the California Labor and Workforce Development Agency (LWDA) in accordance with
4 the terms of the Settlement Agreement.

5 15. The Court orders the Parties to comply with and carry out all terms and provisions of
6 the Settlement, to the extent that the terms thereunder do not contradict with this Order, in which case
7 the provisions of this Order shall take precedence and supersede the Settlement.

8 16. Nothing in the Settlement or this Order purports to extinguish or waive Defendant's
9 rights to continue to oppose the merits of the claims in this Action or class treatment of these claims in
10 this case if the Settlement fails to become Final or effective, or in any other case without limitation.

11 17. All Class Members shall be bound by the Settlement and this Order, including the
12 release of claims as set forth in the Agreement.

13 18. The Parties shall bear their own respective attorneys' fees and costs except as otherwise
14 provided in the Settlement Agreement.

15 19. All checks mailed to the Class Members must be cashed within one hundred eighty
16 (180) days after mailing.

17 20. Within 7 days after the Court has held a Final and Fairness Approval Hearing and
18 entered a final order certifying the Class for settlement purposes only and approving the Class
19 Settlement, the Settlement Administrator will give notice of judgment to Settlement Class Members
20 pursuant to California Rules of Court, rule 3.771(b) by posting a copy of said order and final judgment
21 on its website.

22 21. The Court retains continuing jurisdiction over the Action and the Settlement, including
23 jurisdiction pursuant to California Rule of Court 3.769(h), solely for purposes of (a) enforcing the
24 Settlement Agreement, (b) addressing settlement administration matters, and (c) addressing such post-
25 Judgment matters as may be appropriate under court rules or applicable law.

26 22. Plaintiff shall file with the Court a report regarding the status of distribution within one
27 hundred and twenty (120) days after all funds have been distributed.

28

1 23. This Final Judgment is intended to be a final disposition of the above captioned action
2 in its entirety and is intended to be immediately appealable. This Judgment resolves and extinguishes
3 all claims released by the Settlement Agreement, against Defendant.

4 24. The Court hereby sets a hearing date of _____ at ___pm/am for a
5 hearing on the final accounting and distribution of the settlement funds.

6
7 **IT IS SO ORDERED, ADJUDGED, AND DECREED:**
